“ I have been wondering how my second family was. I would like to know how this has happened. Ducky, Mike, I'm sorry for your loss. Greg and I had a lot of fun the few years I lived in Muskogee and with the Larges. One thing that will always stick in my mind. The first time my uncle and I took greg quail hunting. Greg shot me! Lol.. Not on purpose. He freaked out worse than I. Still have pellets to remember him by. I was hoping to see all of you again. May God bless you all! I'll see Richard and Greg inn heaven

“ My heart felt condolences to your family. Greg was good friend in high school. I sat next to him in many classes. We would go out to lunch in his old yellow Chevy Nova- that he finally had to get rid of because of the speeding tickets:). May he find peace with the Lord.
