“ *I only knew Mr. Bryant as a customer where I work. I am so sorry to hear of his passing. He was the sweetest man ever! I always looked forward to seeing him come in. He would sit and chit chat with me, telling me all kinds of stories. I have missed him the last 2 months and that's when I found this. Sending love and prayers to Mr. Bryant's family.*

I had the privilege of being Duwayne's and Sandy's host daughter for a year back in 1999/2000. They were so kind and welcomed a teenager from Germany into their house and their family for a year. I have so many great memories but one of my fondest is eating ice cream with Duwayne at night after coming home from when I was out with friends from school. Duwayne would fix each of us a big bowl of ice cream and we would sit in the living room, just chatting an eating... He will be missed deeply.

“ Sandra and Boys, I am so sorry for your loss, Duwayne was an awesome neighbor, he was always buzzin by and would wave and say HI NEIGHBOR no matter where I saw him it was always Hi Neighbor. He would always comment on my yard and tell me it looked like a park, the last time he stopped he was asking me about my new fence and couldn't believe me and Kacie put it up ourselves, he said it looks like 3 men live here, we laughed and I said they do, ME, MYSELF and I, he was always up beat , just a very nice person. I have some words that I hope may help in the days to come because I know from experience how hard it will be.

"The reality is that you will grieve forever. You will not 'get over' the loss of a loved one; you will learn to live with it. You will heal and you will rebuild yourself around the loss you have suffered. You will be whole again but, you will never be the same. Nor should you be the same, nor would you want to."
