“ *What few times i was around Hope she was smiling or laughing and always friendly and welcoming. She lived her life to it's fullest (and then some). We will remember that energy and surely miss her. My deepest sympathy for her children and her family. And blessings to Heda for her dedication and caring of her sister. I wish you peace and comfort at this difficult time.*

“ Hope always said I was her favorite brother-in-law. Then she also reminded me that I was the only brother-in-law she had..... still quite an honor in my eyes...
