“ *Hoot, was longtime family friend. His family and mine hung around each other when we were growing up. We played and climbed trees all us kids looked like a bunch of monkeys in those trees . Had fun in choir class . Hoot was someone you could trust he was family and will be missed. The word tells us this: For God did not appoint us to wrath, but to obtain salvation through our Lord Jesus Christ, who died for us, that whether we wake or sleep, we should live together with Him. Therefore comfort each other and edify one another, just as you are doing. 1Thessalonians 5:9-11.*
