“ I wouldn't know where to start, the Daniel family has always been a part of our family for as far back as I can remember. Even though I was very young, I can still remember time spent at Free-Will Baptist Church in Henryetta, and trips out to Wilson to visit. Loved her smile and laugh. She lives on and on through her Children and Grandchildren.

“ Ina was a very dear friend to our family. Mom loved her like a sister and they both confided in each other. When Sheila or I was having personal problems they shared. Mom was always excited to be able to talk to her after she moved to Owasso. So sorry for your loss.
