“ Jack was an angel to many. Every time I saw him he would tell me kind things about my father, Harold Osmond. They worked together at PPG, both glass cutters, both born in Clarksburg, WV, and spending their youth there. I was always blessed when I met up with him, and he always had a cd to give me....such a kind and generous man who wanted to help others and bless them. I will never forget him. Rest in peace, Jack!

“ Haven't lived in Henryetta in years, however, I remember Jack always being at the Nazarene Church my whole life. He was a quiet and humble man but made an impression on me, as I recall those years like yesterday. May God bring peace and comfort to his family.

“ Jackie and Jill, so very sorry for your loss. Jack was a faithful member of our church. Never missed except absolutely necessary. You guys and other family members have loved and cared for him a long time now. I know your hearts are saddened but pray that good memories and the grace of God eases your pain.

“ I have missed seeing him at church. He has been faithful for years and years. Many times I would greet him at the door and he would have a cd of different musicians to give me or someone else. He fixed an old green Bakelite radio for me years ago, put new bulbs in it and it worked picking up AM stations. I'll think of him fondly when I look at it.

“ There was many hours waiting on my father while he shopped Harbor Freight looking at ever item they had.wanting to buy everything in the store. As he would put items in the shopping cart I would have to take it and put it back on the shelf because he already had a dozen of them at home.
