“ *I worked with Jack for 32 years--during which time we both served the City of Henryetta with Pride and Dignity. Each time I visited him during his final days--we would discuss our memories. Margaret took such lovingly, faithful care of Jack. Heartfelt sympathy to family.*

“ Dear Margie, James and the Harrison family, Myself and Linda just want to say how sorry we are to hear of your loss. As you know Jackie, and Tommy was like family to me growing up. It seems not fare that our time flies by so fast in this life. I moved back here in this old home place because of all the great memories of growing up in the pasted years here on the south side of Henryetta. Now as I look back in time there are so few of us left. There's so many stories that could be told here and none would be bad and unpleasant. Jackie as we knew him was like my big bother when we was just kids. There's so many things I'd like to say but can't other than to say again Myself and Linda just want you and James to know our prayers are for and with you two at this time of your loss. May Jackie rest peace until we all meet again in heaven.

These are all beautiful pictures...that tell the story of a life well lived. He was a happy and generous man who devoted his time to his family and friends. I'm going to miss him so much and glad that he was my uncle and shared so much of his time with me.
