For Jan,

So sorry you are experiencing this so close to you again. I know that the fruit of your life does not equal the feelings you are now having to face. I pray for your comfort & strength, knowing that we will be reunited with those we love at another time. May His grace be enough! Love you, kiddo.

A Catholic Mass intention is a specific, heartfelt prayer of intercession or thanksgiving offered by a priest during the Mass for a particular person or need. These intentions can be for deceased loved ones, people who are sick, special occasions, or for general intentions, and represent the highest form of prayer within the Church. By offering a Mass intention, one expresses faith, hope, and love for the person being prayed for, bringing them closer to God's grace and the spiritual community of the Church.
