“ I began working with Janet in 2014 until she retired. At first she was very quiet and I wasn't sure if she liked me. It took about a day for us to get to know each other and after that it was all fun and terrorizing. She was hilarious and a true prankster. We terrorized each other and had so many laughs. She called me Silverhorn and I called her Scare Bear. She always tried to scare us and trick us. The ladies in our department enjoyed working with her. She was a blessing to me and helped me so much at work. I'll always think of her with laughs and much appreciation. I'll miss you Scare Bear, rest easy and we'll laugh again in Heaven. Prayers for all the family.

I can just hear Janet's laugh right now. I knew the Bear family from the Wilson School (I was a Donathan then). I then worked with Janet at Henryetta Medical Center. She was a very knowledgeable nurse with a huge heart. Her sense of humor was unmatched. Prayers for the Bear family and friends.
