“ Uncle Jerry used to baby sit me and my older brother Billy when my folks would go out. I was probably in first grade.. he asked me to go light his cigarette off the stove. He smoked those filterless Pall Mall. I took it and lit both ends and handed to him. He put end in his mouth and it burnt him, he flipped it around and put the other end in and it burn him too! He looked and me and laughed and chased me around then tickled me. We were both laughing so hard. He was sure a hard worker and loved us mean kids.

“ *I remember hanging out with Dedi (Dorothy Dawn) and her dad would either be laughing at something we said or did or he would get irritated at us for being teenagers. Those were some of the best times when we were growing up. Gale, JD & Justin I will be praying for you all for strength and comfort. Love you all.*
