“ Our Dearest Susie and sisters and all the family. We are so shocked to read this. Oh how we love Jerald. That’s what we called him. He has been so good to us. We just had a good telephone visit and we shared the love of Jesus. He loved His Lord and Savior Jesus Christ. We talked about being sinners saved only by the GRACE of God. We talked about the many mistakes and bad choices we all make. BUT we know we are forgiven and saved by the blood of Jesus. He loved his church family. He loved working with my dear and special friend Rusty Perkins. Rusty is like a son to me. We worked together 22 years. Jerald and Rusty were best friends and brothers in Christ Jesus our Lord. Oh family. We love you all. Treasure the precious memories. God bless each of you. Carrol H (Sonny) and Linda Kay Haley Been

“ *My very favorite memories of Jerril.*

Jerril had a good heart ❤️, he would help others out if he could, he would probably give someone in need of a shirt he would give the shirt right off his back. He & I didn't always 👁️👁️ eye to eye on everything but we could talk about it most of the time & he always kept telling me everything is going to be ok. So I believe that & know in my heart ❤️ that he is at peace & no more pain. I thank him for the sweet things he did do for me,(there was a few). Like the time you went and picked me a daffodil & handed it to me. You will be truly missed. Thanks for bringing back a lot of memories for me. The good & the bad. I know your in a better place & in God's hands. Be at peace until we meet again. Love 💕 Shelly Brownfield Ponder.💕
