“ I grew up with Jimmy's kids. This meant that growing up around the Wilkinson household I was expected to be as tough as the boys but be ladylike as a Princess. This also meant that you might get your hair tousled and then told you were beautiful as you walked by or apprehended and waltzed across the dining room to cheer you up because some boy you were dating just wasn't making you look as happy as per Jimmy's standards. He protected me like a Dad, advised me as wisely and gently as a Rabbi and loved me as fiercely as a blood Uncle. It doesn't feel possible or right that he is gone from this world but I know I'm right in the certainty of where he now is. I wish that I could go back and have spent more time with him in the last several years but I will be thankful to remember how fundamental he was in my upbringing. He was a major part of who I am and how I react to the world around me. This means I will take him with me where ever I go. I love you Jimmy and I will see you again !

*Love to Beverly, Nikki, Jeremy, Kaitlyn and Brady, Kimberly Paul and Kayeden, Vance and the Boys and the rest of the Family.
Praying for you ALL !*
