“ Gene was one of a kind whose passing will leave a void that will take time to heal if it ever does. I remember the days of hunting and working together. Many hugs and prayers in this time of mourning. I'm truly at a loss for words which most of you know I am not usually.

You ALL are special warriors for the Kingdom of God. Allow God's peace, love, and hope sustain you in the coming days. God Can and God Will!! Our hearts all ache, yet we have a promise, eternity... To Donna Brown and family, there is not one thing I can say that will make you feel better ,all I can say is that my prayers are for you all hoping that peace and God's comfort will see you thru the coming days, when I think of Gene I have to smile because of some the ideas my Brother Dennis Gene and Larry could dream up. I'm glad that I remember my cousin in that way, God Bless and keep you all.
