“ *Dad, What I will miss most is our talks over the telephone and just knowing you were there. My best memories were when I was small & living up on 3rd street .You would let us know all kinds of little animals as pets. I will always have fond memories of camping and fishing..the time we were fishing and I got the fish hook caught in my mouth & you took care of it. You were a good dad.*

“ Dear Grandpa John,
You will forever be remembered in our memories. Memories of coming to visit you, going fishing, the smell of your pipe. We used to hunt for armadillos in your front yard and complain about the heat. Sharing a birthday with you was always special to Michelle. Since your passing we have learned many new things about your life. Mostly about your service in WW2 and we are proud to be your grandchildren.

Forever yours, Brian and Michelle Compton

“ Dad,

Now that you're in catfish heaven you will be surely missed. But always loved in our hearts. We will miss our Saturday talks, our visits to Oklahoma, our catfish dinners, our naps together on a hot summer day. All our Love always, and you in our hearts forever.
