“ When I was a teen, I "ran away" one week... I ran right to Sharon, and Johnny's house. They fed me, and kept me safe. I don't even know if they questioned why I was there... he was a kind, and welcoming man. A large majority of my happy memories during childhood, are involving of this couple. Johnny, thank you for allowing a safe-spot for me, as a child. May he rest in peace.
