“ *Gosh, I didnt know Jonny had passed until my sister, Diana, told me at Thanksgiving. Jonny and I lived together in a tiny trailer for a semester while at Northeastern State. We sure had a lot of fun that semester as evidenced by our grades. Jonny grew up in a great family. Dawna and Kenny were great kids and Rosana and Clinton were great parents.
So sorry for the whole family for your loss. And what a wonderful video. David Bryant*

“ *My heart goes out to the entire Tomlinson family! Jon, or how I've always know him - Johnny, will be missed beyond words! On Sunday, when Johnny joined his family and friends before us in our Lord's kingdom in Heaven, I know without a shadow of a doubt that Roger Tomlinson was there waiting to meet his cousin and friend to give him one huge embrace of joy, hand him the most beautiful and awesome fishing pole ever, and telling him all about the best fishing spot ever he was taking him too! And then of course making Tomlinson fishing camp stew!! It's so very difficult being left behind, but the Lord comforts us in prayer and through our faith we know we will join them one day. I can't even begin to express in words how much Johnny and Kathy meant to me or Roger and how much comfort Johnny brought to me when Roger passed. Johnny was an amazing, thoughtful, and compassionate man! My thoughts and prayers are with the entire family! I love you all!*

“ One day, I came in to work at the plant and I noticed Jon was a bit teed off about something. I finally asked him about it and he said he couldn't believe I wouldn't wave? I said, wave? When? Where? He said the other day on hwy 75 I pulled up beside you and waved, honked and you just ignored me. I said, Jon, I haven't been on Hwy 75 in weeks, maybe months. He got real quiet.....he looked down, then looked up and said are you serious? I said yup! He said there was someone driving a car like yours, looked just like you, heading south on 75 hwy the other day and I do not know how many miles I tried to get her to wave. He said she must have thought I was a mad man or crazy. Then we both busted out laughing. HE had mistaken someone else for me and probably scared the poor girl to death! Lol. It was such an honor to know him, work with him and visit him while he recuperated after the roof mishap. He had integrity and character that was truly admirable. Kathy and family, my heart breaks for you but we are not without hope that we will be together again one day. Praying for comfort and peace for all of you in the days ahead.

“ *Jonny was very special, making all of our young days full of fun. I was so shocked to hear of losing him so soon. He made me laugh about his fishing when we use to Facebook. I know he enjoyed his life tremendously at the lake where he felt god's presence. My memories will last forever of a friend from home. Thoughts to all of the Tomlinson family, May God keep you in peace and strength.*

“ I started first grade with Jonny in a classroom at the First Baptist Church while they finished up building Webster Grade School--lots and lots of good memories down through the years before we graduated together in 1964. He was always mannerly and well behaved--as most of us of that generation are. It is ironic that I received the sad news of his passing on this day of my 73rd birthday---even tho we don't get to see each other often--it hurts to lose one of our "dwindling bunch". Sending my sincere love and sympathy to Kathy, Dawna, Kenny and all of Jonny's family.
