“ *Kermit, Patricia, Kent and family*
Was so sorry to hear of Joy's passing. She will be greatly missed, especially at family reunions. Such a loving friend and mom and great cousin to my late husband, Carl. Guess they are catching up on the latest news in heaven. May God give you comfort.

Love to each of you.

“ *My sincerest condolences to The Kuykendall Family. My family has known Joy her whole life, my parents and me and my sisters our whole life. Joy & Kermit and family were our neighbors down the road. My sisters and I would attend Vacation Bible School at Salem Church every summer, I remember Joy there. Joy was a nice Christian woman. We also attended Ryal School, I remember her working as the Secretary, she was still there when I graduated from Ryal. Patricia & Kent, you were blessed with great parents. Forever Yardeka/Salem Neighbors...Nugie Bruner-Wind...and rest of The Bruner Family.*

“ The first time I met Joy was when I enrolled my son Dink in Ryal school. He loved Joy from that first meeting. I am very sorry for your loss, I lost Dink almost 8 years ago, so I know how much you all are hurting. Just know that she is in heaven and will be watching over you all from there and she will be there to greet you when you arrive, She may be gone but her kindness will never be forgotten.

“ *Joy was such a wonderful friend and we felt related because of our precious Norma Kaye Ingram. Thank you family for your wonderful love for her as she was such a faithful woman of God. God bless each of you with His sweet Holy Spirit to comfort your hurting hearts and help you make it through this very hard and difficult time. She loved her Lord so we have the Blessed Assurance of her new home. Our love and prayers, Sonny & Linda Been*

“ Joy was a 1960 HHS classmate and is remembered by all as kind and friendly - always ready to lend a helping hand. The last time we spoke was just before the last class reunion last October. In the phone conversation we had, she happily offered to bake cookies for the event, but had to add, if she was up to it.

Joy's faith and love of her family was always evident.

My condolences to her family.

“ A couple of days after Christmas Joy and I renewed our friendship after about 55 years. When we graduated from high school we went our separate ways and lost touch with each other. Then I found a mutual friend on the internet and that led to Joy and I getting back in contact. We had a few phone calls and enjoyed getting caught up with so much time gone by. It is hard to believe she is gone. My condolences to her family. She loved them so much.

“ Joy was one of the kindest persons I’ve known. We were classmates and she was nearly always at our class reunions. At a 25th or 30th class reunion, we were going around the room telling our classmates what we’ve been doing in the past several years. I’ve never forgotten what Joy said. She told us she went to her doctor one day and awakened in the recovery room of a Tulsa Hospital. “That’s when I decided I needed to make some changes in my life,” she said. Joy also had a good sense of humor which she displayed at another reunion in talking about working at the school. She would be at most of the funerals in Henryetta for our classmates. She also often was back at her church cooking for families after a funeral or cooking for some other church event. I was saddened to learn of her passing and extend my condolences to her family.
