“ *So sorry to read of Judy's Passing. We had such a wonderful experience growing up in the church of the Nazarene together. It's been a very long time since those days, however those days prepared us for such a time as this. I know The Lord is walking with Judy at this moment. May He also be holding all of her family in His arms with peace.*

Sincerely,

“ Dear Jolene. My heart was so very saddened today to hear of Judy's passing. Your home was like my second home and Judy was like a sister to me. Distance and time separated us physically, but I will always have a warm place in my heart for Judy and all of your family. Sending my love and prayers. Judi

“ Jolene, I am so sad to learn of Judy's death. My dear, old friend from church. How many wonderful times we had as kids. Fond memories are all I have of her. God bless you and her family.
