I am so sorry to hear of Karen passing. She was like a little sister to me. She was at my home on Broadway as much as I was because of her being such a close friend to my sister, Bernardine "Bernie" Smith Nickel. Karen was a fun person, I loved her like a family member. My sister Bernie does not do Internet stuff and ask me to post her condolences

Karen and I were high school classmates. In more recent years I'd run into her in town and we'd visit for a while. She was really sweet and my thoughts and prayers go out to her family. Connie Hamilton Lane
