“ *Kathy was a very good friend and coworker when I lived in Dustin. We had a lot of good times together. Although I haven't seen her much the last few years. I've thought of her often and will never forget our friendship. I'm heartbroken that I'm unable to come to her service but with icy roads and cold weather I am unable to attend. Praying for her family.*

“ *I remember when Kathy got her first job and would take Nancy or I downtown and treat us to lunch at the drug store. Everytime I have a chocolate malt I think of those times. My deepest sympathy to Loyd and family and Michael and Larry. Love you guys.*
