What a beautiful memory of Kenneth and what he loved. Dale has lots of good memories of them, and he always enjoyed their visits. He was a true family man, because of the love he had for all of you. His family came first in his life. It is wonderful that you have the great memories of this amazing man. Dale and Linda

“ Pat and family it has been a blessing to have known y'all for so many years. You both have been such good friends. We have enjoyed the family times together with our grandchildren and children. Kenneth fought a good fight and we are so proud to have had him the last two years.

Our prayers are with the family and we will not forget you in the coming weeks, months, and years.

All our Love. Larry and Karen Stone

“ *I remember going to the Lake every 4th July and Uncle Kenneth pulling everyone around in the boat. I can't imagine him having an enemy In the world. He was always laughing and he was kind and good to everyone. Uncle Kenneth was the Uncle everyone should have as a child growing up. I loved him very much and will miss him tremendously.*
