“ Landon was the ying to my yang. He called me the evil twin, because he always got blamed for things when we were kids. We were only 2 years apart in age.

We were sat on different ends of the table because we couldn't be trusted to behave - and no the table length didn't stop us. The only things martian balls (peas) are good for, on the spoon launching them across the holiday table!

Or the Zippo lighter he swore didn't work, but the moment he flicked it next to my hair, my hair was on fire! Thankfully it was before I found Aqua Net!
