“ *Sisters are one of lifes greatest blessings. I see your smile and I hear your laugh! We shared good times and bad times together. We smiled and laughed and discussed our deepest darkest secrets. We even argued but at the end of the day I always knew you were my best friend and would always be there for me. Your presence will forever live in my heart. I pray you have found the peace and comfort you so deserve. Fly high sister until we meet again I will always LOVE you.*

“ Aunt Lynn, you were the first thing I understood about Texas. As a kid I just knew that Texas is where my aunt Lynn lived and I would probably see you at Christmas. I often think about the fun I had giving you a hard time while working with you at Sonic when I was a teenager. I miss the baked beans you made for Thanksgiving. Thank you for never failing to call me on my birthday. I love you Aunt Lynn, I will see you again someday soon!
