“ *Leonard and Lorraine are very special people to me and my husband. We've lived in Henryetta for almost 37 years and they are some of the first people we met. Because of their kindness and generosity we were able to purchase our first home, where we've lived for 36 years. We bought Leonard's mother's house just down the street from Leonard and Lorraine. Many evenings I would walk down and sit on their front porch visiting with them. They always kept watch over us, and if Leonard thought anything had gone wrong at our house, he would have Lorraine check to see if everything was all right with "the kids". They were wonderful friends and neighbors and lived their Christian testimony. We miss them both and still think of their house as "Leonard and Lorraine's." Their children, grandchildren, great grandchildren and extended family were truly blessed to have had them in their lives.*
