Dean was one of my best childhood friends and on to high school. Lots of special memories from riding horses, baling hay, riding bicycles to get malts from Winters Dairy, dragging main in his black 58 Chevy and him helping me get my first job right out of high school on the pipeline! Always had a smile and a helping hand! Will miss you, Rest In Peace my dear old friend! James Lee

“ We were neighbors to the Shepherd kids from time I was in 1st grade until I was going into 7th grade--when we moved to 4 Corners. What a wonderful childhood we all had--played out side together all day--Dean's little blonde sisters ran around playing all day in just their diapers (in the summertime)--they tried to keep up with "us bigger kids" as we rode our bikes--built forts and lots of other fun things. The only real rule that we had was that you HAD to be back to your own house before dark. Dean was my childhood friend. I send my sincere sympathy to all of his family.
