“ *Marsha and family, I'm so sorry for your loss. Lloyd was a good person and always a joy to be around. I was always amazed at how well he could play the piano without ever having taken a lesson. Time, distance and life prevented us spending time with your family through the years but there is still a warm place in my heart for your family. My God be with you though this difficult time.*

“*Marsha and family, I am so very sorry for your loss. Lloyd was one of the sweetest, loving and precious men ever. He was so deeply in love with his wife and would tell the world just that. Several times he would refer to her as "my beautiful wife" on Facebook. Heaven has indeed gained a very talented man for their choir. We will see him again...*

“*Dear Marsha & Family I fondly remember Lloyd coming out to pick plums for jam. Morris enjoyed visiting so much and was amazed that Lloyd was going to make the jam himself. In a few days we received several jars of Lloyd's delicious plum jam. I truly feel your loss and pray for you to be comforted. Press on my dear friend. With Gods love and mine Lola Palmer*
