“ I knew this precious lady as "Granny" and she treated me like I was her own. Don't get it twisted, she was a mess sometimes but if you didn't want her opinion, you sure didn't ask for it. Besides, she'd give it to you whether you wanted it or not. She was definitely one in a million and I'm so blessed I got to know and love her. She leaves behind a precious family and I love them all. Granny, I'll miss you but I know you're kicking up your heels in Heaven now. Family, I pray for our Heavenly Father to wrap His loving arms around you and give you the comfort & strength in the difficult days now and the ones to come. Love and Prayers.
