“ *Mrs. Wren was like my second mom. My favorite memories are the many days and nights spent at her house. She treated me like a daughter....and yes that means I also got in trouble....we had great meals and snacks, along with great talks. What a wonderful lady!!!!*

She will be missed by the many people who crossed her path..even if it was just once, because she had a wonderful way of impacting your life. She will be missed by many. My heart goes out to her family. Love all of you!
