“ *My memories of Marilyn will always be the fun loving girl who reached out in friendship to everyone in Jr. High and High School. Our little group had a lot of fun going out of town to choir contests and other school events. My condolences to the family and my thankfulness to God that she didn't have to continue to suffer. God speed, Marilyn!*

Rest in Peace, Marilyn. You were a real trooper in your fight against cancer. You are a long time friend and part of our MetLife family and we will miss you dearly and never forget you. I have so many good memories of you and Sean and the things we did together. I am praying for you as you make your heavenly journey and hope to see you on the other side where I'm sure your family and Buster are waiting for you, and Romeo will join you one day. God bless you my friend.

I worked with Marilyn for years.....first downtown Tulsa at Community National Life and then at MetLife for many, many years. We shared some memorable experiences over the years and Marilyn was a warm, thoughtful and caring person. She was a wonderful friend. My prayers to her family for strength and understanding during this time of sorrow.
