“ I loved Pete and Earl both. When Glenda and I were little they would baby sit us sometimes. They always made us popcorn. When they came home (from where they were stationed with the military) they always came to see our parents. After they moved back to Henryetta Pete helped take care of a lot of people. She was a good Christian lady and loved the Lord. The last couple of years when I would call her she always told me she was ready to go. She will be missed and I will always remember the love she showed me.
