“ *Mary Lue is a great part of my childhood memories. I went to church with her at Immanuel Baptist Church for many years and I will always remember her smile and gentle spirit. She always hugged me every time she saw me, even as an adult. She had a great love for her children and grandchildren and they loved her so much, too. As a sister in Christ, I know that she is with our Heavenly Father for eternity. She will be missed on earth, but is patiently waiting in Heaven for our arrival. She touched many more lives than she will ever know and I am truly blessed to have known her. I pray for comfort and peace for her family and friends as they mourn her passing. May God bless you all.*

mary lou sills was a very special friend to me and my family, she encouraged me when i was raising my daughter and she used to come into the church nursery just to say hello and check to see if i was ok, her smile was always radiant and she had a positive hope in life that in turn gave me hope also. I remember when she was waiting for her test results and i had stopped by her house to say hello, she was busy in the kitchen canning tomatoes and her best advice for days of stress was just to stay busy and leave the rest to god, so i continued in life with staying busy and making sure that i remembered her good advice. thank you mary lou and our hearts go out to her family. “ May Lue was my favorite great aunt and I felt blessed to have known her and been part of her family. I have many great memories over the years of her and I always remember a smile on her face. She had a kind heart that spread throughout the community. One thing I can say about her is that she loved her kids, grandkids, great grandkids and great great grandkids. I pray that God grant the family peace during this time. Aunt Mary isnt in pain anymore and she is in the presence of our Lord and Saviour Jesus Christ. We love you Aunt Mary.
