“ Mrs. Smith, was Such a Caring Person. She was So kind, to me and had been so helpful to our Children while they were in school at Weleetka. Whenever we would cross paths, through the years, at school functions and in other places; she would ask about everyone. She always had a Smile, and encouraging words. Prayers of Comfort to Your Family.

“ Mrs. Smith was a very gentle and nice person. Every time you would see her, she made time to speak and then stay a while to visit no matter where you were. You could be shopping at Wal-Mart and she would have a long visit with you. She always wanted to know how everyone was doing. She and her husband were a great help with our transition from Clearview school to Weleetka. The Smiths will never be forgotten.
