“ *I've have some great memories of Paul and Melba both, such nice and caring people. My family and the West were in the Round-Up Club together, fond memories of trail rides, fun days, and the late nights of the adults playing the card game of Pitch. God has called another Angel home. My thoughts and prayers are with the family.*

“ *I attended church with Melba and Paul. Both were not only a beautiful couple who loved each other deeply but individually strong in faith, character and humor. Melba was a beautiful lady.
I can only imagine the reunion unfolding even now in Heaven both with her Savior and her loved ones, especially with her husband, Paul.
Her family remains in my prayers.*
