“ Ann,  
*I'm so sorry to here about Mike.  
We shared most of our life together. We had many good times together, and I thought of him every day. He was a great friend, and godfather to my daughter. He was part of our family and always made us smile. Rest in peace my brother, I will never forget you.*

“ *Mike was a special friend and was always willing to help when something needed to be done. He was usually very quiet but that didn't mean he wasn't thinking of what came next. He will be greatly missed among his friends and relatives.  
I treasure memories of you, Mike, rest in peace.*
