“ Mike was a friend from many years ago. He was a close and trusted friend of my brother.

My brother and I made many happy memories with Mike and his family. We were lucky enough to spend many Sunday dinners at their house. We loved hanging out with the family. I will always remember Mike traveling many miles to say a finale good bye when my brother passed. Russ would be so sad to hear of Mike's passing but maybe they will meet up and do some more fishing. I will always remember and be honored that Mike sang at my wedding. Becky and I both had the best of brothers.

Missed but never forgotten.
