“ Dearest Grandma.. You have always been an inspiration to me. Your love for the Lord, family, travel, daily walks, a cold beer, the chicken dance at Oktoberfest, Thanksgiving Dinner, playing cards, and all around love of life is something to be admired and modeled. Your strength is evident with the 101 years of life you lived and the legacy that you leave behind. I will miss giving you hugs and hearing you say well, Melissa..I'm so happy to see you, and I love you in the sweetest voice I've ever heard. You always said the Lord will take you home when it's time, and that time has come. I will miss you so very much. Until we meet again.. Love Always, Melissa

“ Linda, your mother was amazing. Such a sweet lady and she will be missed. I loved how she thought about things and was not afraid to state them. She was good to us all. Prayers for peace during this trying time for all of your family and especially you.
