“ *Oh what a wonderful neighbor and friend for over forty years. What a hard worker. So gifted and talented and could build, fix or repair anything. Had a natural way with animals. They seemed to actually communicate. Such a devoted friend and husband and father and grandfather and great grandfather. Odis was sooo loved by all who knew him. He is going to be missed on this old mountain. He never failed to come vote. We voted in our dining room for over 45 years and Carolyn serves on the election board for Tiger Mountain. The best cook ever. Canned hundreds yes hundreds of jars of vegetables and fruits. Odis could grow anything and always had a bountiful garden. A genuine true friend and the best neighbor ever. We are sure going to miss him. We love you our beautiful precious wonderful Carolyn and beautiful family. God bless each of you.*
