June 3, 1936 - November 18, 2021

Nora Oneta (Dolly) Powell, a caring wife, mother, grandmother, sister and friend, left this world peacefully surrounded by family at her home on November 18, 2021.

The youngest of 14 children She was born to Arthur and Gertie Casey on the home place at Six Mile Valley, Ratcliff, Arkansas. Growing up in the area she helped with the family farm and attended Magazine Public Schools. Later in life while working in the café in Paris, Arkansas she met and married George Lee Powell on June 20, 1959. After working several years in the area George and Dolly decided to move to Henryetta, Ok where they raised 4 children on the home place on Trudgeon Hill. She was a strong woman who was respected by her family and friends and to whom they turned to for advice and help. She loved her children and was always involved in their activities. She loved taking them on adventures that included gardening, traveling, hiking, fishing and camping. Her love for God's creatures was unequalled, she loved to feed the birds and there were always bird feeders and hummingbird feeders around the house.

Dolly was also very involved in the community. She served as a member of the Okmulgee County Fair Board, the Kusa Water District and over looked the New Senora Cemetery.

She is preceded in death by her parents, husband George Lee and all but one of the brothers and sisters.

Survived by her children: Howard and wife Roxann Hobbs of Checotah; Debi and husband Porter Pilkington of Grove, OK; George Wayne and wife Dona of Dewar; Carl Powell and Kathy Jackson of Owasso.

The family would like to extend a special thanks to the Dewar Fire Department and New Century Hospice, who showed exceptional compassion and care for our mother.

Funeral service will be 10:00am Tuesday November 23, 2021 at First Church of the Nazarene. Interment will follow at the New Senora Cemetery under the direction of the Rogers Funeral Home.

“ *My Aunt Dolly will certainly be missed by many. She was known for speaking her mind but at the same time was one of the most caring and forgiving among our family as even though she had an opinion it did not stand in the way of her reaching out open arms. As I will miss her, I would not call her back to this earthly realm even if I could. She placed her faith in the promises of Jesus and He in turn promised her rest and eternal peace and by all means she deserves it all. She was a comforter while here and now she is with her Comforter. Thank You Lord for the years that You allowed us to enjoy her and now may we not forget the wisdom she shared with us all. Amen!*

“ God took another angel home. I remember Dolly as a supporting parent when I taught her son Carl in first grade at Washington School. She was such a sweet and kind person and supported our classroom by being so helpful and always available for our class activities. I haven't seen her in a very long time, but she left a lasting memory in my heart. May God bless "my sweet little first grader Carl" and the rest of Dolly's family. Prayers for peace and comfort and cherishing the many memories of a good mother.

“ I am so sorry guys she was like my 2nd mom I miss mom & and Richard so much and will miss Dolly to. We had good parents and a stable home to be raised in. Those 2 girls would share cigarettes (😍). When mom got out of the hospital one time I took her cigs to your mom the next day mom had more I said where did you get those at? She said the nasty store drive thru I said are you kidding me and she said well I can still drive LOL gotta love her. After she passed I found them hidden everywhere. Your mom took pride in her family and we sure had fun back in those days. I will be at her service once again I hate this for you all. ❤️❤️
