“ I can remember her coming to Phyllis's for coffee every morning and I would rush over so I could listen to her and Phyllis talk about old times and laugh and laugh so hard it made you have to pee. I loved her when I was in the family and she was always so good to my children. Patsy and Phyllis took good care of my sweet Adam. Spoiled him rotten lol. I am so sorry for the families loss of such a beautiful sweet soul. God gained another Angel. My heart goes out to the family.
