“ *Pat worked with us for several years at Fountain View Manor--she worked in the Activities Dept.--she was so very sweet and kind to the residents and had such a calm soothing voice--I will never forget and will be eternally grateful for the kindness she showed to my brother Bob Minyard--who was a resident for 13 years--he could not use his hands due to a stroke--and when I went into his room one day--Pat was holding a magazine where he could see it and slowly turning the pages so he could see the pictures---such patience and grace she had! I send my sincere sympathy to her family--I know you will miss her terribly.*
