“ Patsy’s faith was inspirational. Through everything, she continued to give God all the glory. She comforted other cancer patients with scripture and compassionate words. Patsy was a blessing to me and to many people. She will be missed on this earth but I know I’ll see her again. “Come, you who are blessed by my Father, inherit the kingdom prepared for you from the foundation of the world” (Matthew 25:34.)

“ Patsy texted to check in mom and I until she finally just couldn't. She was selfless and cared deeply about about everyone else. She encouraged me and told me how much she loved me. I loved her too. I will miss her so much. Church will never be the same without her smiling out to us from the piano.
