“ I met Paul when I was in HHS. He owned a Chevy 409...wow! We continued to be friends for many years...always loved being around him! I was outside at Mom's house the last time I visited with him...about 5 years ago.

“ PC was an interesting bro-in-law. 🙄 He could be the coolest guy ever or, at times, a pain in the behind. He was always late. Always. Which made for some very late holiday dinners through the years. And he was loved by his family and tons of friends. PC is now a legend. A very cool legend. 😊

“ Best brother any one could have. Always fascinated growing up with all Paul's adventures. From his Cushman motorcycle to his sports cars. He loved life and all his friends. Especially Fishpaw & George. Never had a conversation in the past 20 years without mentioning their name. I am going to miss him every day. If they have horse racing in heaven he is watching. Thanks for all the memories P C.
Love you Don.

“ Paul was one of my favorite customers when I worked at AT&T in okmulgee. Seeing his name on the caller ID or his face in store always brightened my day. I left two years ago but Paul was one I never forgot about. Praying for his family for healing and peace.

“ I met Paul over 15 years ago. We're both OU and Dallas Cowboys fans and would have a friendly \$1 wager on sporting events. I'll miss talking football with you, Paul.
