“ *Oh how i will miss her, she would call me at least once a week and we would talk and laugh and pray together. Her laughter would make you laugh even if it wasn't funny. She always said "love you girl" before we would hang up. She loved her family. Go rest high on that mountain Peggy ! Love you girl.*

“ I worked with Peggy Sue for many years. She brought so much joy to those around her. We laughed together so much. She called a few weeks ago and we met up to catch up. Im so glad we did because it was the last time I seen her smiling face. She loved her family, always talking about marcy and charlie. She was so proud of her grandbabies. She had to show me videos of one of them at a school function when we visited a few weeks ago. Love ya peggy sue

“ I know **FIRST** hand how great Peggy was at taking care of her patients. She really, deep down cared for them like they were her own family. I will always cherish the times we had together. She was one of a kind....had a sincere heart. Words can't express how much she will be missed. I related with her character so well, we were so much alike. We had lots of laughter and fun, but when it came time, we got down to business. Fly high Peggy, you deserve those beautiful wings....U always were and even more so now are one of God's precious Angels.. Love ya girl!!

Peggy, was so fun to be with and around, she always made me and Steve laugh. She would lighten the moment and the load of life. We all have been friends since Jr. High, I already miss her text, her voice, her love, if she couldn't get hold of me, she would call Steve's phone and talk to him. She was hilarious all the time. Love and Prayers

*Our families grew up together for many years right down the road from each other in Dewar. Even though we had lost touch over the years, when we did come back home and saw Peggy she was the same happy bubbly person she always was. Our hearts and prayers are with her family. We know she will be missed.*

“ Peggy was a home health aide when I worked home health for many years. She was one of the best...bar NONE..... She loved her patients and they loved her. There wasn't anything she wouldn't do for them. Despite bad weather, sickness or anything else, Peggy was there when she was expected. I can't say enough good about her. She was a delight. Heaven has truly gained a very special angel. My prayers will be with her family.

“Peggy will be missed by many people who love her. Her infectious laugh could be heard by many and that will be missed. Her love for her true friends is what made her special. There will never be anyone like her. Her light will shine on us all and her laugh will be heard only in our minds which will make us laugh again. RIP my sweet friend!!!
