“ Our thoughts and prayers go out to Diana and the family. Phil Agee was one of a kind. He was a really good salesman, but even more Phil was a great person. I thoroughly enjoyed the visits in his office in Burnett's Furniture store. He was a tremendous help to me and my family in our years at Henryetta. He loved his church and the community, but he also loved the Lord and was a great man. We will always be grateful for the acts of kindness showed to us by Phil and Diana. Our hearts are sad today, but we know heaven rejoices because another child of God has gone home!

“ We kindly referred to him as "Grandpa Agee" at our house! Never a day went by that he drove passed our house while I was doing yard work without stopping to say hello , comment on our flowers, or if he was in a hurry that honk! Summer yard work will not be the same without him! A truly genuine family man will be missed.

“Diana, I wanted you to know that my prayers have been with you and Phil since the earlier texts from the church about Phil’s bout with dehydration, chest pains, etc.” I didn’t know that much about Phil and Diana until I moved to Henryetta about 15 years ago. I found out that my Dad, Kenneth Wilson, was Phil’s mentor in business and that Phil and Diana used to babysit me when I was a toddler! Phil’s smiling face was the first thing I saw when I entered the doors of our church. Diana and I sat together in the women’s Sunday School class. They both are dear to me and Phil will be missed terribly. I know that he is with our Lord and that comforts me. “Death brings a heartache that no one can heal...Love brings a memory that no one can steal. Diana and family...I hope the memories of our Phil will comfort you today and in the days ahead. Love, Marsha Smith...along with my Mom, Thelma Wilson and my daughter Tiffany Reeder”

“ I will miss Phil, he always greeted me and treated me like one of the family when I came in to the store. He had a “can do” attitude also. He was never negative to my ideas or requests. It was like let’s work on this and see what we can come up with. And I don’t believe I ever talked to him without the conversation turning to his relationship with the Lord and giving him credit and praise for all the good in our lives. Not goodbye but see you later Phil. I’m gonna miss you for a while though. ❤️

“ Oh my, Burnett's Furniture will never be the same without Phil greeting me with his gracious, friendly smile. I have cherished his and Diane's friendship for so many years as one of their customers. We send our fondest condolences to Diane and the Agee Family and Burnett Furniture Family during this time of his journey into Heaven. May he rest in peace in the arms of our Lord Jesus. May God grant peace and comfort to each of you.

“ Phil Agee was a mentor for me. His commitment and dedication to the church and the people in it, was inspiring. I don't think there was ever a time when the church door was open for any service, that Phil wasn't there.

Phil was the President of the Men's Bible Class. I'm not sure how this happened but he appointed me to be the teacher of the class, and I'm still doing it, 14 years later. He had a way of getting people to commit to service. He also recruited me to be an usher. When people came through the front door, Phil was the shining light that greeted them. He shook hands with the men and hugged the ladies and children. I think he liked hugging the best.

Finally, Phil was a prayer warrior. He really cared for people and would pray for those in need daily.

Even though Phil has gone to be with his Heavenly Father, His memory will always be with us.

“ I remember Phil from many years ago when we had the Harley-Davidson Cycle Shop in Henryetta and he and his wife had the furniture store. When I would want new furniture I could explain what I had in mind and he would get for me just what I wanted. I know he will be missed.
