

Preston McKinney

February 24, 1972 - May 26, 2025

With profound sadness and heavy hearts, we announce the passing of Preston James McKinney, age 53, of Houston, Texas. Born in Midwest City, Oklahoma, on February 24, 1972 and passed away on May 26, 2025.

A proud member of the Choctaw Nation of Oklahoma, Preston carried his heritage with pride and embodied the values of strength, resilience, and deep familial loyalty.

He was preceded in death by his beloved mother, Sandy (Rule) McKinney, and his brother, Travis McKinney, both of whom he held close in memory. He is survived by his father, Earl McKinney, and stepmother Marilyn McKinney; his three children: Marina Roark (Austin), Jordan McKinney, and Alyssa McKinney; and his beloved grandsons: Emerson, Callum, and Beckham Roark.

Preston is also survived by his siblings: Steven McKinney, Russell McKinney, and Ashli McKinney (Heather Chambers); as well as numerous nieces, nephews, extended family members, and a wide circle of friends who became family over the years.

Preston will be remembered for his love of motorcycles, especially Harley-Davidson. He often referred to his rides as “wind therapy,” finding freedom and

peace on the open road. A diehard fan of Houston sports teams, he never missed watching a game.

Although he was born and raised in Oklahoma, Preston's heart belonged to Texas on game days. You could always count on him to root for the Texas Longhorns, especially against the Sooners. As Preston would proudly say: "Hook 'em Horns!"

He loved fishing on his family property in Oklahoma, a pastime that he later taught his grandson Emerson. He was counting down the days until Callum and Beckham could bait a hook.

Preston lived with grit, humor, and deep affection for the people he loved. His stories, spirit, and steady presence will be missed more than words can express—but his legacy lives on in every ride, every cast, every cheer, and every memory.

The family would like to give special thanks to all those that have made a donation in honor of Preston.

“ Preston, I was so shocked to hear of your passing. You packed a lot of personality into that small package. I've been gathering photos of our childhood and found one of my sweet 16 Birthday Party and the whole gang is there.

But I also found damaged pictures as well and was going to share them with you once I have them all together... but the one I have is a grade school photo. Go to the after party, and meet me at the gates when I get there! May you rest and find all of your loved ones.

You will be missed! Curtis and I loved sharing Marina and the boys with you! The love you had for them was so BIG! Our battles with our kids is tough but man when those grandkids come...it's all consuming love and joy! I know you will continue their journey from above and be cheering the loudest!

“ Reflecting back with so many memories 40 years....Preston loved hard, lived out loud, enthusiastically passionate, and energetically unapologetic. He never faded into a crowd. He was always in the NOW. That's how we should all live! Own whats yours! He did every day. You never had to guess what he felt or who he loved. He was a shiny gem, never dull but full of life! He will always have a special place in my heart. I will miss you, my brother.
