“ Quintell was my wife and partner for nearly 61 years. She was a gentle and kind lady and faithful worker in the ministry we shared for nearly 40 years. she was a wonderful mother to my children and her unselfish love was the force that provided stability in our family. Her passing has left a vacume in my life that can never be filled. By Gods grace I can go to be with her not to far down the road.

“ *Quintell was my cousin & when my mother died in 2005, Quintell & her family took me in as their own kid that lived in California. She made sure I received my birthday cards & Christmas cards every year. If I needed money, they lent it to me or gave it to me. I called & texted with Quintell often, I'll miss talking to her, getting all her recipes or hearing family stories. My heart is broken but heaven received an angel. R.I.P. Quintell*
