“ Pam, Vicki, and Jo,
I'm so sorry about Red. He sure did a lot for Henryetta. I remember him serving on the school board, but best for the In & Out and building the round house. Any time I drive down 5th street and see the house, I always think of Red and Jo. Lots of good memories and our town is a better place because of him.

Hugs and prayers,

“ It is with a heavy heart that I just learned of my friend, 'Red's' passing. I have fond memories of 'Red' in our younger years when we used to bird hunt the pastures west of Henryetta for Quail. We even ventured west to the mountains of Colorado to hunt for Mule deer. Then, at later times, we would laugh ourselves silly recalling some of the adventures that resulted as a result of eating contaminated meat on the breakfast buffet at Lobo Lodge. I loved and respected 'Red' for his honesty and commitment to Jo and his daughters, Vickie & Pam. My prayers are with you all during the time of your loss. May God bless you all.

“ Jo, Vicki, Pam so sorry to hear of passing of Red. I worked for him and Jo at the In& Out . They were so nice to me and my family. They treated all of workers as family, that is hard to find these days. Red was always smiling and laughing with us. I had to cut up a chicken once lets just say that chicken had a lot of extra parts when I finished it. I still can hear Red and Mary Watson laughing. Needless to say they later taught me how to cut up a chicken. I LOVED working for them. I know you all will miss him my thoughts and prays to each of you. Just remember all fun and love he gave to everyone. your friends Hank and Anna Williams

“ I had never before been to Oklahoma and certainly not to the delightful but small town of Henryetta until the mid-70's when I visited my friend Vicki - Jo & Red's daughter - WHAT A TRIP THAT WAS! Red & Jo was lovely and welcome me into their home... Nothing had prepared me for the plains weather/most particularly the strong winds! I was stunned by the force of the wind and I've never seen anyone laugh so strongly as Red when I tried to get into the back seat of his car but couldn't make it because the strong wind blew me so hard that I ended hanging on to a light post or, I suppose, be blown away, never to be seen again! His delight at the hilarious sight I made hanging onto the post is something I'll never forget.

He was a very special man in so many ways.

My heart goes out to the family as there is never a time when we can bear to lose our loved ones.

“ Red and Jo's daughter, Vicki, has been one of my dearest friends for over 30 years. I met Red when I was a guest in their home. He was such a force of life -- larger than life as they say. I remember him as a man of strong convictions yet always smiling and happy when I met him -- and, one of the hardest working men I have ever known. His history in his Obit really caught my eye. As I told his daughter, he was quite the man -- pilot in WWII, coming home to raise a family, and always working and contributing to society, especially when it came to the importance of education. He will be greatly missed by those who knew and loved him. My heartfelt condolences go to Red's lovely wife Jo, his two beautiful daughters, Vicki & Pam, and their spouses, Michael and Danny, his two lovely granddaughters and their families... As a long-time friend, I know that Jo, Vicki & Pam were by Red's side always to help and comfort him in his aging years. While they will have sorrow, they should not have regrets, for they were so supportive of Red...

I never knew Red well, but whenever I visited by brother Mike, he always made me feel welcome. Red's stories of his earlier days living and working in OK always fascinated me. He lived a good life, married a good woman, worked hard and raised a fine family. That's about the best you can say of anybody. Warm thoughts to to all! John.
