“ *I have watched Rooster grow up, always working and helping. I will never forget when we needed a horse buried and called them to come do the job. Here come lil Rooster (not very old at the time) driving up the hill in the heavy equipment ready to get it done. He operated that stuff for as long as I can remember and could not even reach the pedals properly.*

The other thing I always remember about Rooster is the smile he always carried. He will definitely be missed by many.

“ This just doesn't seem true. I am so very sorry to all of his family. The amount of respect I have always held for Raymond Dale "Rooster" was well warranted, he earned every bit of it too. I am very thankful for my memories of him and how we were able to always find a reason to laugh together. I hope others have as good of memories as me. RIP Rooster Padgett!!

“Rooster, he could operate heavy equipment before most kids could ride a bike. I'm talking operate, not just drive. There wasn't anything that he couldn't do, and do well, there were only things he hadn't tried yet. Everytime we ever happened to cross paths he always stopped to swap greetings and catch up for a bit. To me he made people a priority, I hope I can do that too. I'm so very sorry for your loss. Please accept my condolences.

Raymond "Rooster" Padgett Jr. was a very special and kind person. I remember when he was 14 or 15 years old, I got my 4-wheeler stuck. I, then buried my Ford Bronco II trying to pull my 4-wheeler out. Raymond comes driving by on his 4-wheeler and told me he would be back to get me out. He came back with a backhoe and a chain. He got me out. He could handle any heavy equipment. I always thought a lot about him and how he worked hard on the wrestling team. I remarried him always being a hard worker!! I am so sorry for the family!! R.I.P.!!! You'll be in my prayers!!!!

“ Raymond “Rooster” Padgett. Was a friend from my child and we kept it going through the years after. He taught me how to team rope, ride horses, drive trucks when we were way to young to do it ha. We had a lot of good times when we were young. He will be missed so much! My condolences to his family and friends.
