“ I have very fond memories of Rick. During part of my formidable teenage/high school years he dated my mom, and he was always there for her and I, offering his kindness and support. He was my friend. Simply put, he was steadily kind, had a big heart, and was always willing to help someone. RIP my friend.

*Tyler & Chase,
I said a prayer for you all today, that God would touch you with his healing hand and give you the comfort and strength you need to get through.
Only knowing Mr. Ashley for a short time I could see the Love that he had for you and you had for him, Just a reminder for I no things may not be clear, those we Love don't go away, they walk beside you everyday, Unseen, unheard, but always near, Still loved, still missed, and forever dear.
