“ Richie was my cousin, and we were close in our youth. We were born only 1 month apart, so that was a special bond that our Mothers shared that transferred to us. I lived in an urban area, so I loved to go and visit Richie in Weleetka and really feel like I was getting out to the "country". Like many I was shocked and saddened by hearing of Richie being in a tragic accident. To Donnie, Linda, his Wife, and Kids, please accept my deepest condolences. Rest in Peace Richie.

“ Times with Richie that will never be forgotten were too numerous to count. Listening to him in the Keota gym will always be a cherished memory, man the stories we've heard. Just by listening to him, you could tell what his family was like, "MY KIND." Having someone that I valued as a friend of his quality, his humor, his smile, his wit, and his family, Wow I'm lucky. I called him just about after every game during basketball season to discuss the good or the bad of how my team had done, trying to see what he would have done in my shoes. I will be lost not talking to him to get his view of things. I really enjoyed talking to him, he always could make me laugh. he was my FRIEND. I was so fortunate to have known him, thank you God and Family for sharing such a treasure with me. His memory will live in my heart forever. Thank You
Richie, Carlena, Cameron, Ashton, Don, Linda for sharing him with us.

“ *Coach Peters was my 7th and 8th grade history teacher at Keota. He was an awesome teacher! Because of Coach Peters, history was my favorite subject in school. He was also my sisters (Stacie Clyma) softball coach. Every now and then he would get the two of us mixed up. LOL! Coach Peters will be greatly missed! My thoughts and prayers are with the family of Coach Peters as well as all his former students and friends. May God bless you and comfort you all in this difficult time! Rest In Peace Coach! “ Your sweet family touched our lives for a moment but the fragrance of your kindness will last forever. God brought our families together in a ICU waiting room. We prayed for each other and we shed tears over your loss. There are people who will come into our lives and leave no trace and there are sweet sweet folks like the Peters family who come into your life and leave a memory, a touch, a smile. I pray that God will tightly wrap you in His arms and you will find comfort. Love and prayers JD Green family

“ The family of JD Green, and the NICU waiting room would like to send our deepest sympathies to the family of Richie Peters. Tragedy struck these two families at the same time, and in doing so, created friendships that will last forever. I will never forget looking across that room and seeing Richies dad holding that little boy. Both had similar problems, and both were hurting, and yet both had smiles that brightened the room. Godspeed Richie, until we meet again.
